### **OLD BUSINESS:**

1. President Johnson updated the members on the foam replacement process for our three county foam trailers. He also stated that Chairman deViere is looking into the hold-up of the funds that have already been appropriated for the disposal of the PFAS foam. We will also follow up with Chief Chris Davis with OSFM, project manager during the MWC this week in Concord.
2. As a reminder Chiefs Stephen Parrish, CRFD, Hank Harris CVFD, and Ray Smith PMFD, our 2025 MWC lottery winners will be attending the Mid-Winter-Conference (MWC) in Concord. The conference starts tomorrow, Tuesday January 28 through Saturday February 3<sup>rd</sup>, 2025. All accommodations have been coordinated including banquet tickets for the annual Friday night Awards Banquet. Our next lottery pick for the 2026 conferences will be during our September 2025 meeting at Station 19, Stoney Point.
3. Both the Chiefs' Association Audit with Haigh, Byrd, and Lambert as well as our SCIF Yellow-Book Audits are complete. The yellow-book Audit has been provided to OSBM in compliance with our SCIF Grant Contract.
4. President Johnson discussed the need to have an association member to assist with the FTCC EMS Advisory Committee. The selectee will only need to attend 2 meetings a year either in person or online. The purpose of the meeting is to discuss on-going EMS Con-Ed training. FFD Assistant Chief Dan Maffia, who is already in charge of EMS services with FFD will assist Pamela Lowther and attend the two (2) annual on-line meetings and keep the association abreast.
5. President Johnson thanked all the Chiefs that attended Fire Chief Ronnie Marley's retirement ceremony on Saturday the 11<sup>th</sup> of January at Pearce's Mill FD. Ronnie, his family and all the members of the PMFD were appreciative. We (CCFCA) presented Ronnie with our association plaque and thanking him for his 45 years of association membership including 23 years serving as our association Vice-President. Deputy Chief F. Johnson Jr., CCFCA Treasurer on behalf of the association presented Ronnie with a \$500.00 Check as a small token of our appreciation while serving as our VP. ([See retirement pictures in Enclosures](#))
6. Digital Dispatch is moving forward and the Core Basic Station requirements for implementation will cost each Station \$29,200. President Johnson is working on a funding source for all VFD's and urged municipal Chiefs to include this in their upcoming FY-25/26 Budget.

## **NEW BUSINESS:**

1. President Johnson announced that all CCFCA members will be receiving an on-line voting ballot on Thursday January 30<sup>th</sup> that will be open for 24 hours that will allow everyone to vote on the proposed NCAFC By-Law Change. One of the primary changes is the method of election of the 2<sup>nd</sup> Vice President of the NCAFC. It primarily removes the option for an open primary and instead automatically installs regional association presidents to move into the 2<sup>nd</sup> VP slot annually. Please Vote.
2. First Due today installed an update associated with the Incident Response Module (NFIRS). The update basically streamlined the process. There is a tutorial, so please take a moment and watch it. Also, sometimes later this year there will be additional information on the NERIS implementation. NERIS replaces NFIRS.
3. President Johnson announced that with the retirement of association Vice-President Ronnie Marley and the consequent vacancy in the position of Vice President within the association, there is a notable shift occurring within our leadership structure. He stated that the VP role will be filled through a membership vote during the upcoming monthly meetings either in February or March 2025.

He further advised that it specified in the current association By-Laws that the VP must hold the rank of Fire Chief, emphasizing the importance of experience and expertise in the field. He also emphasized the significant time commitment required for the position. The VP will be responsible for presiding over meetings in the absence of the President and should generally be available for all monthly meetings. He is required to collaborate closely with our memorial committee coordinator Deputy Chief Richtmeyer, and oversee various matters related to our annual memorial services, honor guard issues, and general support.

As a member of the association Executive Committee the VP he will be involved in all standing committees, requiring a dedicated individual who is willing to contribute actively to the association's mission and work. President Johnson stressed the need for a working VP, rather than just a figurehead, underscoring the importance of genuine involvement and dedication to the association's mission.

As members consider stepping into the leadership role, it should be clear that the VP's responsibilities go beyond just titles – they have direct impact on the county's Fire, Rescue and EMS services. He encouraged any interested Chiefs to reach out for further discussion prior to our next scheduled meeting.

**FINANCE COMMITTEE** Deputy Chief, Freddy Johnson Jr. (Stoney Point) Chairperson,

E-Mail: [spfd1302@nc.rr.com](mailto:spfd1302@nc.rr.com)

1. Treasurer F. Johnson Jr. announced that our annual Financial Statement (Audit) prepared by Haigh, Byrd & Lambert LLP, Certified Public Accountants have been completed. A copy of the audit has been submitted to Cumberland County Finance prior to the annual deadline December 31, 2024. President Johnson informed the members that just as in years past we received a good audit, with no issues. A copy of the annual Fiscal Year ending June 30, 2024, Financial Statement is in everyone's packet. He further stated that the association members need to approve the annual Financial Statement with a motion. After a short discussion, Cumberland Road Fire Chief Steve Parrish introduced a **MOTION** to accept and approve the FY 2024 Financial Statement as presented. The **MOTION** was **SECONDED** by Stoney Point Assistant Chief Keven Murphy and unanimously **APPROVED** via Roll-Call Vote by ALL members present.
2. President Johnson also stated that prior to our associations Vice President Fire Chief Ronnie Marley's retirement he reached out to the Finance Committee to inquire about presenting Ronnie with a **\$500.00** Check or Gift Certificate for his long-standing service recognition as our associations Vice President. **All finance committee members unanimously APPROVED the request.** President Johnson requested a **MOTION** from the floor to close the transaction. At the time Grays Creek Fire Chief Logan Herndon introduced a **MOTION** as a final **APPROVAL** to authorize the spending of \$500.00 as **APPROVED** by the finance committee for Fire Chief Ronnie Marley for his 23 years of dedicated service upon his retirement on January 11, 2025. The **MOTION** was **SECONDED** by Beaver Dam Fire Chief Gary Brock and unanimously **APPROVED** by all member present.

**FIRE LIFE SAFETY EDUCATION COMMITTEE** – Fire Marshal Kevin Lowther Chairperson,

1. ISO Rating class in Lumberton February 8<sup>th</sup> & 9<sup>th</sup> click link to register. <https://www.roberson.edu/wp-content/uploads/RC-SFR-Fire-College-Book-2025.pdf>
  - a. Lee Kennedy will be the instructor, and this is one of the few classes he'll teach this year and will not be adding additional request for the class at later times as his schedule is booked solid. This is the best chance to get the class this year.
2. The National Fire Safety Council is up and running and 1,000 letters will be mailed out next week to businesses across the entire county to include COF, Spring Lake, Hope Mills, and the county. This should create some funding for the FLSE committee to purchase public education materials.
3. Smoke Trailer training will be held March 3<sup>rd</sup>, 2025, 4:00pm at Stoney Point Station #19. All are encouraged and welcome to attend this training so your department will know how to use the smoke trailer and new technology. Please email Kevin Lowther if you plan to attend.
4. We need grants and other opportunities to get funding for smoke alarms. The current supply is 157 smoke alarms, and 117 CO. Fire Marshal Office will request \$10,000 for FY26 to purchase smoke alarms.
5. The Fire Marshal's Office is now LIVE on ESO as our new RMS system and will be closing down the firehouse server soon.
6. Digital smoke alarm request form is live and active for citizens to use. Your department is encouraged to share the link and QR code on all your public education handouts and materials as well as on your fire department Facebook page and websites. This link will allow the citizen to put in a digital request to receive a smoke alarm.

**Emergency Services**

- Update on voice dispatch and the potential for 911 Board funding being approved for back-up equipment
- The Fire Marshal's office has now gone live with ESO as the inspection report system.

**Emergency Management: (Garry Crumpler, EM Coordinator)**

Garry provided the following information.

- **WebEOC**
  - Please review the users listed under your department's WebEOC account on the handout provided by Garry.
  - Emergency Management is transitioning to WebEOC and Everbridge as the primary methods for emergency alerts. This change will streamline contact management. You can update or delete accounts using the QR code on the handout. Please complete this process by February 14th. Emergency Management recommends that all Officers have an account.
  - There will be a WebEOC exercise on January 28, 2025, at 2:00 p.m. This exercise is a makeup for the one that was canceled due to winter weather.
- **Training**

  - ICS 300 Course at FTCC Fire and Rescue Training Center, February 4 – 6. The course listing is available on NCTERMS.

**9-1-1 Supervisor (Adam Johnson, 9-1-1 Dispatch)**

Adam provided the following information to the membership.

We had our DRC and DSC meetings and a few notes from that

- We reviewed and discussed definitions for EFD version 8 update (I've attached them to this email). They will need to be approved by CCFCA before we go live in the Spring

- We have both county and FFD representatives on the committees and have agreed that we want the definitions to be the same for each agency
- Dispatch is doing our in-service training on the new protocols at the end of March
- Please communicate with dispatch on the ground channel rather than OPs when on a call – I’ve instructed dispatch to move to OPs to ask IC to switch to ground only if they aren’t able to reach IC on ground. I do not want to create a false sense of security of people in the field relying on dispatch being able to always monitor OPs channels, it is not sustainable if there is more than one incident or if they get a 911 call.
- We’ve had some issues with dispatchers not letting tones finish before starting to broadcast a dispatch, which means the traffic doesn’t go out. Hopefully corrected now
- VHF has had intermittent issues due to an unannounced fiber move by Spectrum
- Dispatch / myself need a method of mass notification to the fire chiefs / fire service since we’ve transitioned away from IAR – can notify of issues like VHF or Freedom
  - Chief Hanzal is working on this for First Due
  - If I can get a list contacts (just names and phones numbers) for reach station I can build a notification group directly into our CAD system that our duty supervisor in dispatch can use

Adam also stated that Sheena (Evans) Craver (Assistant Telecommunications Manager) had a few things she wanted to pass along

- She is working on an in-service training course for our fire dispatchers to make sure everyone is on the same page and all issues that have been reported are resolved across the board
- Each station should have someone contact her to set up a time to review their response plans
- When submitting a field feedback form, please include what units you received, what units you expected, and what the operational differences are. This will help ensure response plans in CAD are effective.

Included some quick end of year stats as well

- We had around 268,000 calls in our 911 center in 2024
- Pulled some stats from CAD (which is not going to be as accurate as RMS, unfortunately, but it is a solid estimate)
  - Average dispatch time for county fire from time of 911 call – 43 seconds
  - Average time call sat in queue before being dispatched - 13 seconds
  - Average enroute time for county fire from the first tone to enroute - 1 min 22 seconds
  - Average time of first fire unit on scene from time of 911 call - 6 minutes and 57 seconds

Personally, I think those enroute times and on scene times are exceptional, especially considering it includes nighttime calls and volunteer stations and that we have some fire districts that are

enormous. Doubly so considering that I'm sure all of this data is skewed from when we put in test calls or when CAD goes down or has issues. It really speaks to the professionalism and care of the fire service here.

**EMS DIRECTOR:** David Grovdahl, EMS Chief E-Mail: [dgrovdahl@capefearvalley.com](mailto:dgrovdahl@capefearvalley.com)

- Not present

**HAZMAT:** DC Richtmeyer, E-Mail: [drichtmeyer@fayettevillenc.gov](mailto:drichtmeyer@fayettevillenc.gov) (910) 624-5042

- Chief Richtmeyer advised the membership that the City of Fayetteville has received their new HazMat Truck and hopes to showcase the truck during, our next month Chiefs' chiefs meeting at the Regional Fire and Rescue Training Center.
- He also requested that Incident Commanders that require HazMat resources from the COF to request HazMat through the appropriate dispatch center in lieu of calling on-duty HazMat representatives directly.

**NC FORESTRY:** Craig Gottfried, County Ranger, E-Mail: [craig.gottfried@ncagr.gov](mailto:craig.gottfried@ncagr.gov) (910) 483-1535

- Discussed fire conditions and forecast for our upcoming ground-cover fire season.

**FTCC:** Vincent Lewis, E-Mail: [lewisv@faytechcc.edu](mailto:lewisv@faytechcc.edu) – (910) 486-7472

- Not present

**SHERIFF'S OFFICE** Sheriff Wright [ewright@ccsonc.org](mailto:ewright@ccsonc.org) (Sr. Sgt. Tara Whitman) Email - [twhitman@ccsonc.org](mailto:twhitman@ccsonc.org) (910) 323-1500 ext. Arson

- Major Morgan discussed several changes within the CCSO and introduced Captain Jones who is doing Major Morgan's old job.
- President Johnson thanked CCSO Captain Jones for his past support of the Fire Investigation Unit (FIU). Captain Jones assumed a new role overseeing School Resource Officers and during his previous role as Assistant Chief of Detectives the FIU was under his purview.

**FAYETTEVILLE POLICE** – Police Kimberlee Braden, Email – [kemberlebraden@fayettevillenc.gov](mailto:kemberlebraden@fayettevillenc.gov)

- Not in attendance.

**NC HIGHWAY PATROL** – Colonel Freddy Johnson Jr. Commander NCSHP.

E-Mail: [Freddy.johnson@ncshp.org](mailto:Freddy.johnson@ncshp.org) or First Sergeant Jamie Hinson B-1 Fayetteville

Mail: [james.hinson@ncshp.org](mailto:james.hinson@ncshp.org), or S. Johnson SHP Raleigh Training Center, E-Mail [sean.johnson@ncshp.org](mailto:sean.johnson@ncshp.org)

- Col Johnson followed up on a rash of Vehicle Break Ins up and around Wake County where thieves are breaking into cars parked at fire stations overnight. He further stated that these types of crimes eventually make their way here to Cumberland County.

**FIRE COMMISSIONER – J. Tyson**

- Not present due to re-scheduled BOC meeting (Excused)

**ADJOURNMENT:** A motion was made to adjourn by Deputy Chief Phillip Riddle and seconded by Fire Chief Keith Matthews.

The meeting was adjourned at 2020 hours.
